

Someone Special
Poets of the Fall

By Andr   Oswald aka FABBA

IMPORTANT: nearly ALWAYS let the high E-string/ high E-string and B string ring together with all chords.

This is an easy song from my favorite band... :-P It s DEFINITELY not my favorite,
but it s the easiest to play. Good for beginners, and the chords are beautiful.

The Intro (this is the best I got it... listen to the strumming pattern and play the chords) play the chords:

E: 0 0 0 0 0 0 0
B: 5 5 5 5 5 5 5
G: 6 6 6 6 6 6 6
D: 6 6 6 6 6 6 6
A: 4 2 0 2 4 2 0
E:

Then the verse...

E B C#m A Asus A
I wake up to the sound of rain upon my sill

E B C#m A Asus A
Pick up the pieces of my yesterday old thrill

E B C#m
Can I deliver this used up shiver

A Asus E
To how I pronounce my life

E B C#m A Asus A
And I leave it up to faith to go by its own will

CHORUS

E Bm A
Back row to the left, a little to the side

A C#m
Slightly out of the place

C#m F# Am

Look beyond the light, where you d least expect

Am

E

There s someone special
