Love You Till The End
Album from the motion picture P.S. I Love You
x7101@hotmail.com

Capo 2 fret

[Intro]

A D A D A D A D

[Verse]

A

I just want to see you

D

When you re all alone

A

D

I just want to catch you if I can

E

I just want to be there

D

A

When the morning light explodes

E

On your face it radiates

D

I can t escape, I love you till the end

[Instrumental]

A D A D

[Verse]

A

I just want to tell you nothing

D

You don t want to hear

A

D

All I want is for you to say

E

Why don t you just take me

D

A

Where I ve never been before

E

I know you want to hear me

D

A

Catch my breath, I love you till the end

D

I love you till the end

[Chorus]

A D A D A D A DE

A D

I love you till the end

A D

I love you till the end

A D

[Verse]

A

I just want to be there

D

When we re caught in the rain

A

D

I just want to see you laugh not cry

E

I just wanna feel you

D

A

When the night puts on its cloak

E

I m lost for words, don t tell me

D

A

Cause all I can say, I love you till the end

D

I love you till the end

[Chorus]

A D A D

A D

I love you till the end

A D

I love you till the end

A D

I love you till the end

A D

All I can say, I love you till the end

A D

I love you till the end

A D

I love you till the end

A

D

Cause all I can say, I love you till the end

A D

I love you till the end

A D

I love you till the end
