

Perfect Youth  
Pointed Sticks

Am D  
Here comes the latest crowd  
G C  
They re the kids with common view  
Am D C  
They always look so they make you feel so old  
Am D  
Emotions running out of control  
G C  
They have to act on intuition  
Am D C  
And live fast for just one night and forget about tomorrow

G C D  
And I think that s perfect (perfect youth)  
G C D  
It only happens when you re young (perfect youth)  
G C D  
And if you re perfect (perfect youth)  
G C D  
There isn t any right or wrong (perfect youth)

Am D  
I used to be just like them  
G C  
It s the air of confidence  
Am D C  
Of course the styles have changed since my day about two weeks ago  
Am D  
But no, I don t feel bitter  
G C  
This is what must happen  
Am D  
I lived with the realization  
G C  
While they fulfill their obligations

G C D  
And I think that s perfect (perfect youth)  
G C D  
It only happens when you re young (perfect youth)  
G C D  
And if you re perfect (perfect youth)  
G C D

There isn't any right or wrong (perfect youth)

**Am**                    **D**  
So face front you young Canadians  
**G**                            **C**  
This time is yours to spend the way you choose  
**Am**                    **D**  
You just can't lose  
**C**  
So don't worry

**G**            **C**            **D**  
And I think that's perfect (perfect youth)  
**G**            **C**            **D**  
It only happens when you're young (perfect youth)  
**G**            **C**            **D**  
And if you're perfect (perfect youth)  
**G**            **C**            **D**  
There isn't any right or wrong (perfect youth)

**G**            **C**            **D**  
Yeah I think that's perfect (perfect youth)  
**G**            **C**            **D**  
It only happens when you're young (perfect youth)  
**G**            **C**            **D**  
And if you're perfect (perfect youth)  
**G**            **C**            **D**  
There isn't any right or wrong (perfect youth)

**G**            **C**            **D**  
So perfect (perfect youth)  
**G**            **C**            **D**  
So perfect (perfect youth)  
**G**            **C**            **D**  
So perfect (perfect youth)  
**G**            **C**            **D**  
You think you're so perfect (perfect youth)
