

Be the One
Poison

Ab **F#-**
So you want to talk about the pain
D
Talk to me, please explain
Ab
Maybe I know what your going through
A **F#-**
You got so much pain to hide
D
You keep it locked up deep inside
E
In a room no one gets to
G **D** **C**
I can t feel the way you feel
G **C**
Maybe I, I ve got those same scars, same scars to heal
G
Wish you ve got to understand
D
I want to be the only man to
C
Ever touch you baby
C
To ever...
E **F#-**

Coro:

A **F#-**
I ll be there should the sun go down
D
Lift you up to a higher ground
A
Let me in, let me be the one
A **F#-**
I ll be there should you fall from grace
D
Wipe those tear drops from your face
E
I see no more damage done
Baby, baby,
E **A**
Just let me be the one
Ab **F#-**
I want to be the one to shelter you
D
Should the rain it comes down

Never let you drown

A

I'd pull you through

A

F#-

I want to hear you when you scream

D

Be your prince when you dream

E

Hold you close when you cry

I said...

G

D

C

I want to feel your love, your hate

G

D

Should you be lost, I'll bear your cross of pain

C

Love seal your fate

G

I'll comfort you in fits of rage

D

C

I'll be the book you can turn the page, and

C

I'll still love you baby

I'll still...

Coro

D

A

G D

A

G

I gotta touch you I'll see no more damage done

E

A

Oh sweet child, you gotta let me

Solo

G

D

C

I heal the hurt I'll heal the scars

G

D

C

Yes I will babe, You can lay your hand right down upon my heart

G

Then you'll learn to understand

D

I want to be the only man to

C

Ever touch you baby, ever touch you baby ever

Coro

A

F#-

I'll be calm in fits of rage

D

Hold you close in times of pain

E

I see no more damage done

E

Baby, baby, you got to let me be the one
