This is a song I have wanted to learn for a long time. My friend JC inspired me to figure this out, and I think it is close to correct. I don't have the chords for any of the song, but I do have the lyrics and the opening and chorus riff. I am eager to post it cause I'm sure many people thanks

NOTE: It appears, from the album FLESH & BLOOD, C.C.'s guitar is tuned down half a step. Play this riff very distorted and notice the palm muting (p.m.). Have fun!

E-----INTRO: RIFF 1 x4 times (2,3,&
4 time with drums)

VERSE 1:

Like animals tonight we make it
You give me an inch I'm gonna take it
I'll steal your love like a thief
To be as one is my believe

Don t look back have no regrets
Like beasts of prey we must feed on it
I ll be your one your one and only
To feel me burn come close and hold me

Chorus: w/ RIFF 1 x2

Flesh and Blood Sacrifice
Melts the heart like fire and ice
Flesh and blood like fire to ice
Are you willing to sacrifice

Verse 2:

There s no more time to think about
The flame will die if you doubt
It s a game of love and hate
To lose it all is a chance we take
Come with me and take my hand
IT S IN THE BIBLE THAT WE MUST STAND
I ll take you down under my gun
Our flesh and blood will be as one

CHORUS

BRIDGE:

Our blood runs deeper than a river
The less you need the more I m gonna give you
And give ya and give ya but good
