So I pretend you re here by my side tonight, on this lonelyride

I keep telling myself that.
```

(Chorus)

D A B  
Life goes on while you re miles away

A G  
And I need you.

D A B  
Time rolls on as nights steals the day  
A G  
There s nothing I can do.

B  
You healed up my wounds  
A G A  
I tasted your tears  
B  
you spilled out your heart

A G F#  
So I let out my fears  
E G A G F#  
But one fear I kept to myself

E G A  
How I prayed that you love no one else

Like you said you love me.

(chorus)

E A B A G  
If you only knew how much I miss you.

(SOLO)

E G A G F#  
When my mind plays its tricks on me

E G A  
It shows me things I don t wanna see

A  
So I tell myself and..

A  
I keep telling myself self now

A  
Just take another piece of me?

(chorus)

D A B  
Love goes on you re still miles away

A G  
And I need you

E A B  
And this last mile I travel with you
