

Stand  
Poison

          E A          E          D          A  
We all carry the cross and speak what we re taught  
E A          E          D          A  
Lies and money become the white man s god  
          E A          E          D A  
We ve burned all our bridges one too many times  
B-                  A  
    The time has come now to draw the line

Coro:

A  
You know you ve got to  
E          B-          D          A          E  
Stand, stand, stand for what you believe  
E  
You know you ve got to  
E          B-          D          A          E  
Stand, stand, stand for what you believe  
          D A                  E  
Ohh, You got to...Stand for what you believe  
A          E  
Alright, alright  
A  
    You got to listen now...  
E          A E          D          A  
Express yourself in the face of change  
E          A E          D          A  
Repress yourself, you surely seal your fate  
          E A E          D          A  
You got to look inside, the answer lies in wait  
B-                  A  
    Resurrect before it s too late

Coro

          B-                  D  
Somebody rescue me, come down and rescue me  
          A                  D          A  
I know the soul of a good man has got to be free  
          D A                  E  
When you stand, stand for what you believe

Solo, Coro
