I travel around this country, Thursday, Friday, Saturday, Sunday, seems like I  
ve

been everywhere

Been a lot of places, seen so many faces, but always wished that you were there

**Cm G Cm G**

They say a picture s worth a thousand words, oh but there s still a thousand  
stories of you I ve never heard,

**Cm G**

Please tell me darling, will you be true

**Bb Eb7**

All these times I pull away from you?

**G# Eb7 G# Eb7 G#**

When it comes time for leaving, will you be grieving, will you even wonder where  
I m at?

**C#7 G# Bb Eb7**

Cause I got a feeling, your loves the one I ll be stealing, you ll belong to him  
when I get back

**G# Eb7 G# F7**

Oh, you know that you mean the world to me, but I got good bait and there s a  
lot  
of fish in that sea

**Bb Eb7 G# G#-G-F Bb Eb7 G#**

You will be the one, to sit alone and cry when I say farewell, c est la vie, so  
long honeybee,  
goodbye
