I travel around this country, Thursday, Friday, Saturday, Sunday, seems like I
ve
been everywhere
Been a lot of places, seen so many faces, but always wished that you were there

C#m G# C#m G#
They say a picture s worth a thousand words, oh but there s still a thousand
stories of you I ve never heard,
C#m G#
Please tell me darling, will you be true
B E7
All these times I pull away from you?

A E7 A E7 A
When it comes time for leaving, will you be grieving, will you even wonder where
I m at?

D7 A B E7
Cause I got a feeling, your loves the one I ll be stealing, you ll belong to him
when I get back

A E7 A F#7
Oh, you know that you mean the world to me, but I got good bait and there s a
lot
of fish in that sea

B E7 A A-G#-F# B E7 A
You will be the one, to sit alone and cry when I say farewell, c est la vie, so
long honeybee,
goodbye
