

Perfect 44

Polly Paulusma

Tabbed by Joe (tabs at stype dot org)

Capo 1

G Em Bm F#m C#m C D G

G Em Bm F#m C#m
Wires fan before you, they draw you
C D G
In deep troughs and sharp peaks of green
G Em Bm F#m C#m
Each cough rips through you, it wounds you
C D G
And flat lines cry wolf on the screen

Em7 A7
If I could change the shapes of the waves
Em7 A7
They d all be a perfect 4/4
Em7 A7
If I could exchange the sky for this cage
Am D7 Em D/F# G
You d walk with me straight out the door
Am D7
You d walk with me straight

G Em Bm F#m C#m
Needles slip in you, they pin you
C D G
To whimpering, limping machines
G Em Bm F#m C#m
Night air surrounds you, it drowns you
C D G
In billows and pillows and sheets

Em7 A7
If I could change the shapes of the waves
Em7 A7
They d all be a perfect 4/4
Em7 A7
If I could exchange the sky for this cage
Am D7 Em D/F# G
You d walk with me straight out the door
Am D7 Em D/F# G
You d walk with me straight out the door
Am D7
You d walk with me straight
