Intersperry little words our very own till we'd forget

We put it alphabetic and we gave em definitions
Ab **Bb** **Eb**
And we wrote em out in crayon on the wall

Eb **Ab**
Well, Momma didn't really take a liking to the mural
Eb **Gb** **Bb**
Truly, artistry is never understood within its day
Ab **Abm** **Eb** **F**
But maybe, in the end, we like it better as an enigmatic
