Cmon Down
Poor Man's Poison

 Chord shapes and moving notes were grabbed from a live performance to ensure
accuracy.

```
Am      x02210
G(b9)  32010x
F       133211
E       022100
Am/C   x32210
E/G    322100
```

[Intro]
Am G(b9) F E

[Chorus 1]
Am   G(b9)
Hey man, c mon down
F   E
They re sellin truth on the corner now
Am   G(b9)
Look at him all dressed in white
         F   E
Said the angels musta came into town last night

Am   G(b9)
Hey man, c mon down
F   E
They got your fix on the corner downtown
        Am   G(b9)
Look at him with the heavy heart s,
     F   E
broke down at the bottom, not knowin where to start

singin ,

[Verse 1]
    Am   Am/C
it s all right, in black and white
        E   E/G
you can lay down or you can put up a fight
          Am   Am/C
or you can, break bread with the beggars and thieves
           E   E/G
or you can, highhorse your way to your knees
          Am   Am/C
or you can take that lesson that you learned today,

```
E                                  E/G
share it around or throw it away
          Am                                          Am/C
but in the end you re gonna see, you re the only one
          E   N.C.
and this life s just a game, until the game stops bein  fun

[Chorus 2]
Am         G(b9)
Hey man, c mon down
F                          E
They re sellin  truth on the corner now
Am               G(b9)
Look at him all dressed in white
          F                        E
Said the angels musta came into town last night

Am         G(b9)
Hey man, c mon down
F                          E
They got your fix on the corner downtown
          Am           G(b9)
Look at him with the heavy heart s,
       F                          E
broke down at the bottom, not knowin  where to start

[Verse 2]
            Am                          Am/C
Well he s a, broke down, he s a bad seed
          E                  E/G
He s a, coked out, down on his knees
            Am                      Am/C
He took a, wrong turn, down a wrong street
          E                  E/G
And he, he got burned by his family
          Am                              Am/C
He says
```
