POP ETC

Keep It for Your Own

No capo

*-single strum downwards

Em

Came into this world empty handed

Bm

Am

Looking for love, just trying to keep out of the cold

Em

I hoped a little, told a little too much

Bm

G

Shake my way, bending the rules till they broke

Am G D

Em

I had to run, couldn t stop

Am G D

You had to know

Em

You gotta keep it for your own

Bm

You gotta keep it for your own

Em

You gotta keep it for your own

D

You gotta keep it for your own

Em Bm x2

Em

But you were always living in my mind

Bm

Am

I couldn t shake ya, baby you re taking my time

Em

I lived a little, caught in the middle

Bm

D

Running circles around all the people I owe

Am G D

Em

I had to run, couldn t stop

Am G D

You had to know

Em

You gotta keep it for your own

Bm

You gotta keep it for your own

Em

You gotta keep it for your own

D

You gotta keep it for your own

Em Bm

You gotta keep it for your own

Em

Bm

You gotta keep it for your own

Em****

G

Don t we need to find

Em

Our own ways to find peace of mind

G

Don t we need to find

Em

Our own ways to find peace of mind

G

Don t we need to find

Em

D****

Our own ways to find peace of mind
