=====  
Not Forever - Popsicle  
=====

Verse:

**B**  
Still can t believe some of  
**G#m**  
The things I never told  
**E**               **B**  
I hardly touch the phone  
**C#m**  
I don t know who to call

**B**  
You re my relief and you re  
**G#m**  
The one who makes me cry  
**E**               **B**  
I m trying to figure out  
**C#m**  
Some way  
To get on by

Chorus:

**G#m**                               **E**  
Cause I can change I m not the same  
**B**  
Not forever  
                  **C#m**                               **E**  
What can I say I m not OK  
**B**  
I wish I was  
                  **G#m**                               **E**  
I want you back I want a time

**B**

I can remember

**C#m**

It s as simple as I say

**F#7**

I can change I m not the same

Not forever

(Verse)

So I got out at nights

Take walks down easy street

So talkative

No matter who I see

I wake up shaking

Not alone but on my own

I need some other guide

To help

Me get back home

(Chorus)

**G#m**            **B**            **C#m**

You want this part of me

The songlines in your mind

**G#m**            **B**            **C#m**

That s who I m trying to be

And that s what you will find

**G#m**            **B**            **C#m**

If you just let me in take me back

**E**

Closer than we ever were

I promise it s for real

(Chorus)

(Last Chorus - played the same)

I have changed I m not the same

Not forever

What can I say I d be OK

And so would you

If you came back if you were here

You would remember

It s as simple as I say

I can change I m not the same
