Dm                      A#

But for the grace of god goes another man

```

Bridge (A F xx3210)

```

A                      F xx3210
And I may just waste away from doing nothing
A                      F xx3210
But I m a martyr to even less

```

Chorus instrumental (Riff 2)

Verse (Dm A# C G)

```

Dm                      A#
A choirboy is buried on the moors
C                      G
Where we used to go dreaming when we were bored
Dm                      A#
So some kids are best left to fend for themselves
C                      G
And others were born to stack shelves

```
