

Every Home Is Wired
Porcupine Tree

Album: Signify

This is the tab for the first half of the song, the part that I think of when I hear the title. The other half is totally different. I was shocked to see that there were no tabs of it because it s such a good song, so I decided to try and make it myself. There is some variation throughout the song, but this is the basic gist of it. Other than that, I think it s pretty accurate.

Lyrics:

Modem load and failsafe

Electric teenage dust

Hit the solvent keypad

Start the neural rust

Power on the highway

Data in my head

Surfing on the network

Part of me is dead

Every Home is Wired

Swimming in the circuit

Somebody has expired

This world will be the future

Every Home is Wired
