Autumn Got Dark - Portastatic

Tabbed by: Jeff

B **A**
So much for the summer of the shark

E **B**
And autumn got dark so fast I know

A **E**
We re stitching up the seams, make it all a dream

B A E
And the truth just goes hoo

B **A**
So much for the way you held my hand

E **B**
And all our shining plans I gave alluding

A **E** **B A E**
Up with filthy lungs, slipping back to rungs we left below ooh

B **A**
So much for the summer of the shark

E **B**
Autumn was a lark to you I know

A **E** **B A E**
A turning of the key, a breaking of the weekend of the slow ooh

B **A**
Now everywhere I look I get depressed

E **B** **A**
I think I ll wear a dress to disassociate myself from them

E **B A E**
Oh but then again how would you know ooh

C#m

Oh and your red wagon

C#m

E B E B

I hope the wheels fall there soon

C#m

E B E B

We see our world come crashin and you re still trying to sell the moon

C#m

E B E B

doo doo

B

A

So much for the summer of the shark

E

B A E

Autumn got dark so fast I know
