

Elysium
Portishead

Intro: **Am, F#m, Ebm**

*(It would sound more like the track if you only strum the chord on the first beat it is played in the measure and then just play the bass note of the chord for the following beats in measure)

Verse: **Em, Em9**

No one has said what the truth should be
And no one decided that I d feel this way
If you felt as I
Would you betray yourself

Chorus: **Am, F#m, Ebm**

But, you can t deny how I feel
And you can t decide for me

Verse: **Em, Em9**

No one should fear what they cannot see
And no ones to blame it s just hypocrisy
It s written in your eyes
And how I despise myself

Chorus: **Am, F#m, Ebm**

But, you can t deny how I feel
And you can t decide for me

Break:(Kind of plays with the notes **A#, F#, D, A#, G#** notes listed descend chromatically)

Verse: **Em, Em9**

And it s your heart
That s so wrong
Mistaken
You ll never know
Your feathered sacred self

Chorus: **Am, F#m, Ebm**

But, you can t deny how I feel

And you can t decide for me

Chorus: **Am, F#m, Ebm**

And you can t deny how I feel

And why should you decide for me

(Play around with the chords in the verse till end of song)
