

**It Could Be Sweet**  
**Portishead**

Obs.: Durante toda a música há apenas uma sequência de acordes que é a seguinte:

( Bm A/B Bm A/B Bm A/B C#m Dm Dm6 )

I don t want to hurt you  
For no reason have I but fear  
And I ain t guilty of the crimes you accuse me of  
But I m guilty of fear

I m sorry to remind  
You but I m scared of what we re creating  
This life ain t fair  
You don t get something for nothing, turn now  
Mmmm gotta try a little harder

It could be sweet  
Like a long forgotten dream  
And we don t need them to cast the fate we have  
Love don t always shine thru

Cos I don t wanna lose  
What we had last time your leaving this life ain t fair  
You don t get something for nothing, turn now  
Mmmm gotta try a little harder

It could be sweet...

But the thoughts we try to deny  
Take a toll upon our lives  
We struggle on in depths of pride  
Tangled up in single minds

Cos I don t wanna lose  
What we had last time your leaving this life ain t fair  
You don t get something for nothing, turn back

Mmmm gotta try a little harder

Cos I don t wanna lose  
What we had last time your leaving this life ain t fair  
You don t get something for nothing, turn back  
Mmmm gotta try a little harder

It could be sweet
