It Could Be Sweet Portishead

Obs.: Durante toda a música há apenas uma sequência de acordes que é a seguinte:

(Bm A/B Bm A/B Bm A/B C#m Dm Dm6)

I don t want to hurt you

For no reason have I but fear

And I ain t guilty of the crimes you accuse me of
But I m guilty of fear

I m sorry to remind
You but I m scared of what we re creating
This life ain t fair
You don t get something for nothing, turn now
Mmmmm gotta try a little harder

It could be sweet
Like a long forgotten dream
And we don t need them to cast the fate we have
Love don t always shine thru

Cos I don t wanna lose
What we had last time your leaving this life ain t fair
You don t get something for nothing, turn now
Mmmmm gotta try a little harder

It could be sweet...

But the thoughts we try to deny Take a toll upon our lives We struggle on in depths of pride Tangled up in single minds

Cos I don t wanna lose What we had last time your leaving this life ain t fair You don t get something for nothing, turn back

Mmmm gotta try a little harder

Cos I don t wanna lose What we had last time your leaving this life ain t fair You don t get something for nothing, turn back Mmmm gotta try a little harder

It could be sweet
