Portugal. The Man -- Created

The chords in this song aren t strummed, they re arpeggiated like this:

```

-----1-----|
----1-----1---1--|
---2---2-----2----|
-3-----|
-----|
-----|

```

except for the F and A in the F-A-Dm part which is either played like:

```

-----1-| your choice.
----1-----1---|
---2---2-or---2----|
-3-----3-----|
-----|
-----|

```

All the chords are barre chord shapes (except the first two Dm in each verse, which are open), so the picking pattern stays consistent throughout the song.
