Everything You See Kids Count Hallelujahs
Portugal. The Man

[Intro]
Bm F# G D
Bm F# G D

[Verse 1]
D
  Everything you see
D   **G**
  Everything you see
        F#   **Bm**
Can be measured, weighed, or gauged
                  A   **G**
Just like the one s who will keep you company
                                    D
(All of the things that you ll ever be)
A
   (All of the things that you ll ever be)

[Chorus]
D   **F#**   **Bm**   **A**
  When all the kids count hallelujahs
G   **D**
  We re seven miles high
          F#
Climbing up laser beams
                   G
That light the electric seas

D   **F#**   **Bm**   **A**
  All the kids are the rubber souls
G   **D**
  The kids are just fine
             F#
Kids are just fine
          G
Kids are just fine

[Instrumental]
Bm F# G D
Bm F# G D

[Verse 2]
D

```
      There s nothing you can do
D                                              G
   Nothing to know that you always knew
                   F#                 Bm
So will all live on and just celebrate the end
      A                          G
With all of the things that have come to pass
                                   D
(All of the things that have come to pass)
A
   (All of the things that have come to pass)

[Chorus]
D                  F#                 Bm        A
   When all the kids count hallelujahs
G                      D
   We re seven miles high
            F#
Climbing up laser beams
                    G
That light the electric seas

D           F#            Bm               A
   All the kids are the rubber souls
G                      D
   The kids are just fine
               F#
Kids are just fine
          G
Kids are just fine

[Instrumental]
Bm F# G D
Bm F# G D

[Bridge]
Bm         F#                 G
   All the castles they command
             D            C#
They ll come sink their teeth in
Bm                 F#                   G
   And all the waves are crashing down
             D        C#         A
We ll just sink our toes in

[Chorus]
D                  F#                 Bm        A
   When all the kids count hallelujahs
```

```
G                          D
   We re seven miles high
           F#
Climbing up laser beams
                    G
That light the electric seas

D            F#          Bm              A
   All the kids are the rubber souls
G                    D
   The kids are just fine
              F#
Kids are just fine
           G
Kids are just fine

[Post-Chorus]
D                           G
   But the kids are just fine
              F#
Kids are just fine
           G
Kids are just fine

D                       G
   The kids are just fine
               F#
Kids are just fine
           G
Kids are just fine

[Instrumental]
Bm F# G D
