Dm **Bb**
I watched the words drip from you
F **A** **Bb**
And pour from your mouth like a sieve
Dm **Bb**
I ll end like I did begin
F **A** **Bb**
Jump rope the stars in a game

G
But you were there too
G
We spit from the moon
G
And found their heads down below

F **Dm** **A** **Bb**
I can t make no sense of this
F **Dm** **A** **Bb**
I can t make no sense of this at all

Dm **Bb**
Sad inconsistencies we see
F **A** **Bb**

When you find yourself lonely but right next to me

G

Well I was there too

G

Just as lonely as you

G

But we found their heads down below

F

Dm

A

Bb

I can't make no sense of this

F

Dm

A

Bb

I can't make no sense of this at all

F

So what's this young man to do

Dm

C

What's this young man to do

Bb

What's this young man to do

F

What's this young man to do

Dm

C

What's this young man to do

G

F

Dm

And when the summer ends, yeah

C

I'll be there hiding

G

F

Dm

And when the sunrises, yeah

C

I'll stay warm forever

F

Bb

Dm

Many have come before, many have been

Bb

F

Where will we be when will it end

Bb

Dm

Many have come before many have been

Bb

Where will we be

G

We were there too

G

We spit from the moon

G

And found their heads down below

F

Dm

A
