Em	C	G	B	A	D
-5 -	-6 -	-1 -	-5 -	-3 -	-8 - -
-6 -	-6 -	-1 -	-5 -	-3 -	-8 - -
-7 -	-7 -	-2 -	-6 -	-4 -	-9 - -
-7 -	-8 -	-3 -	-7 -	-5 -	-10 -
-5 -	-8 -	-3 -	-7 -	-5 -	-10 -
-5 -	-6 -	-1 -	-5 -	-3 -	-8 - -

Em **C**
I watched the words drip from you
G **B** **C**
And pour from your mouth like a sieve
Em **C**
I ll end like I did begin
G **B** **C**
Jump rope the stars in a game

A
But you were there too

A
We spit from the moon

A
And found their heads down below

G **Em** **B** **C**
I can t make no sense of this

G **Em** **B** **C**
I can t make no sense of this at all

Em **C**
Sad inconsistencies we see
G **B** **C**

When you find yourself lonely but right next to me

A

Well I was there too

A

Just as lonely as you

A

But we found their heads down below

G

Em

B

C

I can't make no sense of this

G

Em

B

C

I can't make no sense of this at all

G

So what's this young man to do

Em

D

What's this young man to do

C

What's this young man to do

G

What's this young man to do

Em

D

What's this young man to do

A

G

Em

And when the summer ends, yeah

D

I'll be there hiding

A

G

Em

And when the sunrises, yeah

D

I'll stay warm forever

G

C

Em

Many have come before, many have been

C

G

Where will we be when will it end

C

Em

Many have come before many have been

C

Where will we be

A

We were there too

A

We spit from the moon

A

And found their heads down below

G **Em** **B** **C**
I can t make no sense of this
G **Em** **B** **C**
I can t make no sense of this at all

G

So what s this young man to do

Em **D**

What s this young man to do

C

What s this young man to do

G

What s this young man to do

Em **D**

What s this young man to do

A **G** **Em**
And when the summer ends, yeah

D

I ll be there hiding

A **G** **Em**
And when the sunrises, yeah

D

I ll stay warm forever

A **G** **Em**
And when the summer ends, yeah

D

I ll be there hiding

A **G** **Em**
And when the sunrises, yeah

D

I ll stay warm forever

A **G** **Em**
And when the summer ends, yeah

D

I ll stay warm
