Take the ride, if we get divided, you and I canâ€™t fight it,

Am C D

Marching along help me stay in time.

F C G

Weâ€™re all just dreamers,

F C G

Someday believers will you,

F

Will you ever learn?

C G

Will you every learn your not the only one?

F C E

Everybodyâ€™s got something to hide,

Yeah, I got mine.

Am C D F

Am C D F

Am C D

F C G

Weâ€™re all just dreamers,

F C G

Someday believers will you,

F

Will you ever learn?

C G

F C E

Everybodyâ€™s got something to hide,

And I live with mine everyday

G

Well come along, well it coming anyway,

F C G

You can take the walk down

F

We still got nothing on the moon

C G

Everybody knows that no one really knows at all

F C

No one really knows at all

G

That may never change but I donâ€™t mindâ€™|
