WAVES

Em D Am

C Am Em

Em

You can't fight a war with nobody to fight back

G

But if we get to digging to the bottom of the stack

Em

We'll sell it to the youth and you never know, maybe

G

You'll get back home and you'll see your baby

Am

Oh oh, we'll just act like we care

Em

All we needed is a reason it don't need to be clear

G

Singing songs to the news it can play to their fears

Em

Someone's gotta die but you don't have to love it

G

But the military's still got more in its budget

Am

Oh, we always need more next year

(**Em**)

No one cares about the waves

C

At the bottom of the ocean

G

D

And the bottom of the ocean

A

Is always blue

Em

Dsus2

No one will remember

C

Cause nothing lasts forever

G

D

And everybody's looking

A

For somebody to use

Em

When we can't bring them home and the war hasn't ended

G

There s still money there and that money needs spending

Em

The powers that be, we gotta do what we do

G

And if they never know it then they ll never feel used

Am

Oh oh oh, like i often do

Em

To all the pretty girls out there looking for heartache

G

Crying all i wanted is to be your baby

Em

And all the pretty girls out there living with heartache

G

Crying cause their never gonna see they re baby

Am

Oh oh, we just act like we care

Em

Dsus2

No one cares about the waves
