8, 8 is the hour

Hour of our trials, ours too sickening to live
Please return it
Put it back, I take it back, I can burn it

You didn't do it completely but you were discreet

Like the year I spent comparing me to you
Please return it

Please return it

(**Bb**)
When you took me by surprise
That's half the fun of everything
Do you miss the point like I do?

In the certainty of friendships you can ask
Please return it
Bring the balance back to you in returning

There's an upside --there has to be an upside
There's an upside --there has to be an upside
There's an upside --there has to be an upside
