THROWAWAY (The Posies)

Chords by: Justin Makeig ([makeig@nwu.edu](mailto:makeig@nwu.edu))

Intro: C Em G Em  
C G Em A  
I remember giving up the gory details  
C G Em A  
And it left me tongue-tied (such and elementary sickness)  
C G A Em  
Now I don t want to think and I don t want to feel  
C G A Em  
I wasn t aware this was part of the deal  
C G Em A  
When I put my finger on a greater expectation  
C G Em A  
But just my luck, I lack the patience of a statesman  
C G A Em  
And all of my language will fail to convey  
C G A Em  
That I m terribly twisted around what I say  
C G A  
And the message that I threw away  
  
C G Em  
I don t have it now  
C G Em  
I don t have it now  
C G Em  
I don t have it now  
C G Em  
I don t have it now

So I keep hiding and it only grows to hurt me  
But time is wasting and I m watching it desert me  
I m digging a hole and I m making it deep  
And I m starting to question the hours I keep  
And the answer that I put to sleep

I don t have it now  
I don t have it now  
I don t have it now  
I don t have it now

And so I m writing with the hope that someone s reading  
For all too likely runs the risk of me repeating  
But I don t have the guts to prevent the decay  
And I m terribly twisted around what I say  
And the courage that I threw away

I don t have it now  
I don t have it now  
I don t have it now  
I don t have it now

**C G Em**  
I don t have it now

**C G Em**

**C G A**

**C G Bb C G**
