[Primeira Parte]

F#m
She said, love me, so I love her
F#m
She said, leave me, so I left
F#m
Then I went to California
E Bm F#m
And I ain t never comin back
F#m
I gotta high five from a brother
F#m
I got bloodstains on the bed
F#m
And I ain t sayin that I love her
E Bm F#m
But this bitch is gonna drive me mad
E Bm F#m
I said this bitch is gonna drive me mad

[Refrão]

E Bm F#m
You got just what I been looking for
E
But you can t bring yourself to say no
Bm
And I ain t never gonna let you go
F#m
I kept wishing I would die, oh
E
The whole plane ride home
E
And I wish I could
F#m
I know I should leave you alone

[Segunda Parte]

F#m
I worship since I met you
F#m
I fell down to my knees
F#m
And when no one would accept ya
E Bm F#m

Throw myself up on a cross and bleed

F#m

I seen a dark cloud coming over

F#m

I seen some evil shit in her head

F#m

But she rode me like no other

E

Bm

F#m

But this bitch is gonna drive me mad

E

Bm

F#m

I said this bitch is gonna drive me mad

[Refrão]

E

Bm

F#m

You got just what I been looking for

E

But you can t bring yourself to say no

Bm

And I ain t never gonna let you go

F#m

I kept wishing I would die, oh

E

The whole plane ride home

E

And I wish I could

F#m

I know I should leave you alone

E

Bm

F#m

You got just what I been looking for

E

But you can t bring yourself to say no

Bm

And I ain t never gonna let you go

F#m

I kept wishing I would die, oh

E

The whole plane ride home

And I wish I could

E

I know I should leave you alone
