Leave Post Malone [Primeira Parte] F#m She said, love me, so I love her F#m She said, leave me, so I left F#m Then I went to California Е Bm F#m And I ain t never comin back F#m I gotta high five from a brother F#m I got bloodstains on the bed F#m And I ain t sayin that I love her E Bm F#m But this bitch is gonna drive me mad Bm F#m I said this bitch is gonna drive me mad

[Refrão]

F#m E Bm You got just what I been looking for Е But you can t bring yourself to say no BmAnd I ain t never gonna let you go F#m I kept wishing I would die, oh Е The whole plane ride home Е And I wish I could F#m I know I should leave you alone

[Segunda Parte]

F#m

I worship since I met you F#m I fell down to my knees F#m And when no one would accept ya E Bm F#m Throw myself up on a cross and bleed F#m I seen a dark cloud coming over F#m I seen some evil shit in her head F#m But she rode me like no other E Bm F#m But this bitch is gonna drive me mad E Bm F#m I said this bitch is gonna drive me mad
