

Black Cloud
Postdata

[Intro]

C#m D#m E A B C#m B C#m

[Verse 1]

D#m E
She can't get out of her bed
A B C#m
The big black cloud in the river of her head
B
Little by little by little just a little bit
C#m
It enters the room

[Verse 2]

D#m E
Behind the eyes you can feel the mind slip
A B C#m
Flow to the spine it doesn't matter what she did
B
Little by little by little just a little bit
C#m
It starts to consume

[Chorus 1]

C#m B E
I want my body back
A C#m
Give me the drug you say you never had
A C#m
Give me the drug you say you never had
C#m
Give me the drug
C#m B E
My mind's contaminated
A C#m
Give me the drug you think you never had
A C#m
Give me the drug you say you never had
C#m C#m C#m
Give me the drug

[Verse 3]

C#m **D#m** **E**
There s nothing outside, there s nobody left
A **B** **C#m**
There s nowhere to hide, nowhere to run or to forget
B
No one to find you, if you ever try to
C#m
And nobody tries to

[Verse 4]

C#m **D#m** **E**
Shades in the sky drowning in the wind
A **B** **C#m**
Look in my eyes Mama I ve been contaminated
B
Little by little by little just a little bit
C#m
Can you forgive me,
C#m
Can you forgive me

[Chorus 2]

C#m **B** **E**
I want my body back
A **C#m**
Give me the drug you say you never had
A **C#m**
Give me the drug you think you never had
A
Give me the drug, give me the drug
C#m **B** **E**
My body, I m not contaminated
A **C#m**
Give me the drug you think you never had
A **C#m**
Give me the love you say you never had
C#m
Give me the drug

[Outro]

C#m **D#m** **E** **A** **B** **C#m** **B** **C#m** (2X)

PAUSE

C#m
Give me the drug ..
B **C#m**
Give me the love!
C#m
Give me the drug!
