

**A Song Called Everything Solo  
Powderfinger**

A Song Called Everything  
Vulture Street

I couldn't find the solo 4 this song on the web so I tabbed it myself. I'm not sure if 100% accurate but its close enough. This is my 1st tab & I think it's pretty good.

Standard tuning

H = hammer

The solo is played over the chorus riff: G D Em C
