(intro) E Asus2 E Asus2

(verse)

```
E          Asus2          E          Asus2
honesty is out of style, so hammer in the coffin nails
E          Asus2          E          Asus2
a letter sent across to land, with kissers for you
```

(chorus thing)

```
C          Asus2      C          Asus2
we ll tell them nothing, our little secret
C          Asus2      C          B
they ll never make us, ever open up
```

at this point a little fill by guitar 2 comes in and goes over the verse

(E Asus2 E Asus2)

(verse)

```
E          Asus2          E          Asus2
tradition in and out the door, family our fatal flaw
E          Asus2          E          Asus2
a future frameless in design, a seamless concept
```

(chorus)

```
C          Asus2      C          Asus2
we ll tell then nothing, our little secret
C          Asus2      C          B
they ll never make us ever open up
C          B

C          B
until we re coffin dust
```

(stop then)

```

      E           C           B

```

(but im really not sure about that riff so for the time being just strum E C and B under the words)

```

      E           C           B           E           C           B
when this feeling fades,
      E           C           B           E           C           B
