

Im On Your Side
Powderfinger

I did this in an afternoon and since there seems to be nowhere with full lyrics or chords I have been making educated guesses except when obvious.

Chords used (in order of appearance): **G# Bbm C# Eb Fm Gm**-(Not diatonic) **Cm**

G#

Youâ€™re moving through me like a ghost

G#

Youâ€™re the treasure I want most

G#

Youâ€™re the feathers on the dove on the pole

Bbm

C#

Flies around, around, around my soul

Eb

C#

If I believed that I could help carry pain away from you

Eb

C#

I d put my shoulder underneath anyway you want me to

G#

Eb

When you need to buckle and bend

Bbm

C#

You can call on me to help you forget

Eb C#

G#

Eb

Hey, Iâ€™m on your side and youâ€™re better than that you know

G#

Bbm

C#

Fm

Iâ€™ve been waiting here for you so long

G#

Bbm

C#

Fm

So I could give my love to you, Iâ€™ve had to break someone

Eb

C#

If I believed that I could help carry pain away from you

Eb

C#

I d put my shoulder underneath anyway you want me to

G# **Eb**
 When you need to buckle and bend
Bbm **C#**
 You can call on me to help you forget
Eb **C#** **G#** **Eb**
 Hey, Iâ€™m on your side and youâ€™re better than that you know

Gm **G#** **C#** **G#**
 Darlinâ€™ youâ€™re a long way from home
Gm **G#** **C#** **G#**
 Iâ€™ll do my best to help you feel you belong
Cm **Eb**
 Now the rose pink kiss left on your cheek,
C# **G#**
 Marks the mournfulness of distant things
Cm **Eb**
 Itâ€™s a pain, the biggest part of belief.
C#
 Now I rush to your relief,

G# **C#**
 - and I wonâ€™t Let you down
G# **C#**
 I wonâ€™t fail you now
G# **C#** (intensify chord)
 I wonâ€™t Let you downâ€¦

G# **Eb**
 When you need to buckle and bend
Bbm **C#**
 You can call on me to help you forget
Eb **C#** **G#** **Eb**
 Hey, Iâ€™m on your side and youâ€™re better than that you know
Eb **C#** **G#** **Eb**
 Hey, Youâ€™re in your prime and youâ€™re better than that you know
Eb **C#** **G#** **Eb**
 Hey, Iâ€™m on your side
Eb **C#** **G#** **Eb**
 Hey, Iâ€™m on your side
