C		D		
Who s gonna play your fool?				
D	Em	C		G
Nobody knows just how it feels today				
D	Em	C		G
Nobody sees how our hearts break				

(Continues the same)

Who s gonna watch your back?
Who s gonna reel you in?
Who ll make surprise attacks?
Who s gonna be there at the end?

Nobody knows just how it feels today
Nobody sees how our hearts break

Who s gonna bring you round?
Who s gonna let you sleep?
Who s gonna break frown?
Who s gonna fall down at your feet?

Nobody knows just how it feels today
Nobody sees how our hearts break
