

On The Run  
Prairie Switch

[Intro]

**A E F#m D**

[Verse 1]

**A**

Well we were stopped at the tracks

**E**

By a train that passed

**F#m**

One arm resting on the wheel

**D**

Her head laying on the dash

**A**

She s heading back to Norman

**E**

Oklahoma in the mornin

**F#m**

Laid back into her seat

**D**

Said lets hop the train and leave

[Chorus 1]

**A**

Well there ain t no way

**E**

That I must say

**F#m**

There s something everywhere you sail

**D**

Let s run away

**A**

A southern wind

**E**

A rolling train

**F#m**

In the morning

**D**

Running away

**A E F#m D**

Running away

[Verse 2]

**A**

She said you can get a gun

**E**

I can be your Bonnie Park(er)

**F#m**

Jump off in a lawless town

**D**

Rob a bank and steal a car

**A**

Well I laughed and said we both know

**E**

You and I won't get too far

**F#m**

I was never known to ride

**D**

And you got too many hearts

[Chorus 2]

**A**

Either Way

**E**

What can I say

**F#m**

Back in the day

**D**

You and I'd be castaways

**A**

Running wild

**E**

For the sun

**F#m**

In the morning

**D**

All night

**A**

**E F#m D**

All night long

[Verse 3]

**A**

Just like any train that passes

**E**

This one too will never last

**F#m**

Put the car back into drive

**D**

And make my way accross the tracks

**A**

Oh I can hear the trees

**E**

Too and fro n in the breeze

**F#m**

And the whistle as she says

**D**

Boy it ain t too late to leave

[Chorus 1]

Well there ain t no way  
That I must say  
There s something everywhere you sail  
Let s run away  
A southern wind  
A rolling train  
In the morning  
Running away  
Running away

[Chorus 2]

Either Way  
What can I say  
Back in the day  
You and I d be castaways  
Running wild  
For the sun  
In the morning  
All night  
All night long
