## With Youfor You Prateek Kuhad

For you, you

```
**In strumming play the 1st, 4th and 7th strum louder than the rest**
*For picking part pick only 4th string for E chord*
*and only 5th sring for A chord in the same pattern as strumming*
[Intro]
ΕA
[Verse]
   Yeah you seem to be okay
Your sweet taste is my mouth stays
So I ll be waiting in the corner
For you
Mind less, I m just spineless
Put Cellophane on my mouth and kiss
Love is lying in the corner
For you, you
It s true, true
[Verse]
   Grow old with these folds of time
E
   Mold each other into perfect wine
E
   Bless the day that our heartbeats line
 Love is lying in the corner
[Chorus]
    Е
For you, you
     Е
It s true, true
    E
```

```
E A
It s true, true
[Bridge]
I sing this broken tune
G# C#m
Is it for you
As we sleep we re growing older
I ll wait here for you
 G#
              C#m
You wait for the truth
Everyday is getting longer
[Verse]
 Yeah I know that it s no secret
With intensity, we split sticks
Slowly dying in the corner
[Chorus]
   E A
With you, you
    E A
It s true, true
   E A
With you, you
    E A
It s true, true
    E A
With you, you
E A
```

It s true, true
