[Verse 1]

B D#m/A# C#m/G#

All of the bright minds are out in the dark light

Lighting up so they can't breathe

Outside the party they're talking to me and I can't shake the feeling

Of tv

D#m/A#

And cold tea

C#m/G# E

And romanticizing

B D#m/A# C#m/G# E

All the things that make me unhappy

Em

And are you happy?

[Chorus]

B D#m/A# C#m/G# E B
Cuz i hope at the end of the night I'll find a way to stay surprised

D#m/A# C#m/G# E B
in the middle of the moment might allow myself a smile

D#m/A# C#m/G# E
I'm wasting so much time

B D#m/A# C#m/G# E

Being jaded

B D#m/A# C#m/G# E

But I don't wanna be jaded

[Verse 2]

B D#m/A# C#m/G# E B
I spent the summer stuck in the bedroom, staring up at the ceiling

D#m/A# C#m/G# E B
I went to New York and I saw a friend there to hell and back she'd been

D#m/A#
But she was breathing

C#m/G# E
And she looked at me

B D#m/A# C#m/G# E
It's easy to be unhappy.

Em

And are you happy?

[Chorus]

B **D#m/A#** **C#m/G#** **E** **B**
Cuz i hope at the end of the night I $\hat{\hat{A}}^{\hat{A}}$ ll find a way to stay surprised
 D#m/A# **C#m/G#** **E** **B**
in the middle of the moment might allow myself a smile
 D#m/A# **C#m/G#** **E**
I $\hat{\hat{A}}^{\hat{A}}$ m wasting so much time

B **D#m/A#** **C#m/G#** **E**

 D#m/A# **C#m/G#** **E**

B **D#m/A#** **C#m/G#** **E**

B **D#m/A#** **C#m/G#** **E**
And outside the party and they $\hat{\hat{A}}^{\hat{A}}$ re talking to me, I m jaded
B **D#m/A#** **C#m/G#** **E**
I went to New York and I saw a friend there, I m jaded
