

Burning Wheel
Primal Scream

Album: Vanishing Point

Bassist: Marco Nelson

Comments: Really smooth bass groove for this druggy dance number by the Scream. I m just going to write out all the parts to the song and let you take it from there. I m not a 100% sure about the root notes but it works pretty well play around with them a bit like Nelson does. There are a parts I ve left out that shouldn t be to hard to pick up.
