I m just looking to the future, hope there s compromise **Am**

hope it all works out in the end **E**

never mind this fickle system, never mind the rage **Am**

comin down like an avalanche **E**

all i wanted was a dream all i wanted was to scream out **Am**

youre never gonna get that far **E**

all i wanted was the taste

come in anyway **Am**

get me outa this place **E**

outa this war **Am**

outa my face what were fighting for **D C**

get me outa this place oh this war **E Am**

outa my face what were fighting for (play intro) **D C**

im just looking to the past now and where we ve been **E Am**

have we learned oh anything **E**

from mistakes in our history that weve lived again **Am**

the past and present dont make sense to me **E**
