Crash
Primitives

```
         D             G
here you go way too fast
A                           G
don t slow down you re gonna crash
           D                 G
you should watch, watch your step
A                         G
don t look out your gonna break your neck

       D             G
so shut, shut your mouth
A                         G
cuz I m not listening anyhow
           D               G
I ve had enough, enough of you
A             G
enough to last a lifetime through

A
so what do you want of me?
D                 G
Got no words of symapthy
A
and if I go around with you
D                         G           A
you know that I ll get messed up too

D         G           A         G
na na na na na na na na naaaah x2

         D           G
here you go way too fast
A                           G
don t slow down you re gonna crash
           D                 G
you don t know what s been going down
A                       G
you ve been running all over town

     D           G
so shut, shut your mouth
A                       G
cuz I m not listening anyhow
         D               G
I ve had enough, enough of you
A             G
enough to last a lifetime through
```

```
A
so what do you want of me?
D               G
Got no cure for misery
A
and if I go around with you
D                       G               A
you know that I ll get messed up too

D           G           A                   G
na na na na na na na na naaaaah (slow down) (you re gonna crash) x 4

[solo]

D           G           A                   G
na na na na na na na na naaaah (slow down) (you re gonna crash) -until end
```
