	Here we are in this big old empty room,	
Ema_j9	D#ma_j7	G#m₇
	staring each other down	

U want me just as much as I want U,
let s stopfooling around
Take me baby, kiss me all over
play with my love
Bring out what s been in me for far toolong
Baby, u know that s all I ve been dreaming of

Do Me Baby, like u never done before		
Give it to me till I just can t take no more		
Do Me Baby, like u never done before		
I want u now, I just can t wait no more, can t wait
