

```
{verse}
Em          D          C          Bm          Am
How beautiful do the words have to be
          Bm          C          D
before they conquer every heart?
Em          D          C          Bm          Am
How will U know if I m even in the right key
          Bm          C          D
if U make me stop before I start? {come in loud here!}

{chorus}
G          F
If I came back as a dolphin would U listen to me then?
C          Bm
Would you let me be your friend? Would you let me in?
G          F
You could cut off all my fins, but to your ways
I will not Bend.
          C          Bm
I ll die before I let you show me how to swim.
D
And I ll come back again,          as a

G    F    F    F#    G    repeat....
Dolphin

{bridge}
C          F
If I m at the water s edge will you find me?
C          C#dim7
Will you shine a light to guide me?
D          D#dim7
It s happened before, I ve knocked on your door,
B
But you wouldn t let me in.....
