

I Wanna Be Your Lover
Prince

EADGBE

The strumming s a bit tricky to get the hang of, basically:

F//C/F/C/F//C/ Play it through a couple of times and it ll make sense...

Umm, yeah, look out, I ain t got no money

I ain t like those other guys you hang around

It s kinda funny, yeah

They always seem to let you down

And I get discouraged, yes you do baby

Cuz I never see you anymore

I need your love baby, well, ooh

That s all I m living for, ooh ooh ooh, now

Didn t wanna pressure you, baby, sing it y all

Am
(All I ever wanted to do)

I wanna b ur

(Lover)
Yeah

I wanna be the only one that makes you come

Am
(Running)

I wanna b ur

(Lover)

Wanna turn you on, turn you out

All night long, make you shout

(Aww lover)
Yeah, yeah

Etcetera.
