

Nothing Compares To U
Prince

B **B/A#**
It s been seven hours and thirteen days
G#m **(D#m E F# E D#m)**
Since you took your love away
B **B/A#**
I go out every night and sleep all day
G#m **(D#m E F# E D#m)**
Since you took your love away
B **B/A#**
Since you ve been gone I can do what ever I want
G#m **(D#m E F# E D#m)**
I can see whomever I choose
B **B/A#**
I can eat my dinner in a fancy restaurant, But
G#m **D#7**
nothin , I said nothin can take away these blues, `Cause
A E G#m F# B
nothing compares, nothing compares 2 U
B **B/A#**
It s been so lonely without you here
E **(D#m E F# E D#m)**
I m like a bird without a song
B **B/A#**
Nothing can stop these lonely tears from falling,
G#m **(D#m E F# E D#m)**
Tell me baby, where did I go wrong?
B **B/A#**
I could put my arms around every girl I see
G#m **(D#m E F# E D#m)**
But they d only remind me of you
B **B/A#**
I went to the doctor and guess what he told me, guess what he told me,
He said,
G#m **D#7**
Boy you better try to have fun no matter what you do, but he s a fool,
`Cause
A E G#m F# B
nothing compares, nothing compares 2 U
B **B/A#**
All the flowers that you planted, in the backyard
G#m **(D#m E F# E D#m)**
All died when you went away
B **B/A#**
I know that living with you baby was sometimes hard
G#m **D#7**
But I m willing to give it another try
A E G#m F# B

Nothing compares, nothing compares 2 U
