B E F#

[Verse 1]

B E F#  
I met you on a holiday it didn't mean that much

till I saw you in a different place and we began to talk  
D#m G#m F#  
We spoke a bit about our lives and how you'd broken up  
D#m G#m F#  
There was something in the way you were I couldn't shrug it off

[Interlude]

B E F#

[Verse 2]

B E F#  
I saw you just the other day we didn't speak at all

I think I better stay away from you and your new girl

A stolen conversation date is what I'm dreaming of  
D#m G#m F#  
Drinking every single day so I can sleep it off

[Chorus]

B G#m F# B G#m F# C#m  
We were meant 2 B in love (with somebody else)  
C#m G#m F#  
and I don't know if it means a lot,  
C#m G#m F#  
but I will love you from far away (just not quite enough)

[Interlude]

B E F#

Strangers can be comforting when you find yourself alone

Using them like medicine to fix a broken heart

We were meant 2 B in love (with somebody else)
