

Take Me To Your Captain

Prism

I saw a guy in an instruction video that probably has this song to a T. But my keys are the same I just use a more basic chord structure. oh and the bridge part of the verse before the chorus is just what I do cause its really hard to hear on the recording, but it works very well for me.

```

e-----|-----|
B-----|-----|
D-2-4-2-2--4--2-|2-0----0-7-2--4--2-|
G-2-4-2-2--4--2-|2-0-4--0-7-2--4--2-|
A---2-----2----|--0-4--0-5----2----|
E-----|----2--0-----|

```

A|B|A|,A||B|A|,A| (open strum) F#m|| open again D|, A||B|A|

A B A F#m D A
A planet dies and no one cries So hard to believe

A B A F#m D A
If there was somewhere else to go You know I d be the first to leave

A B A F#m D A
I don t mean to sound ungrateful But I m afraid that I just can t stay

A B A F#m D A
I had a dream the other night And as the dream unfurled

A B A F#m D A
I took a trip in a rocket ship And I found another world

A C#m D A C#m D
They told me about their captain said I should ask him could I stay - I said

B C#m A B C#m A
Take me to the Captain And tell him why I m here

B E A B Em F#m
I want to stay in your world While my world disappears

B C#m A B C#m A
Won t you take me to the Captain And tell him why I m here

B E A B Em F#m
I want to stay in your world While my world disappears
(Solo)

A B A F#m D A
I had a dream the other night And as the dream unfurled

A B A F#m D A
I took a trip in a rocket ship And I found another world

A C#m D A C#m D
They told me about their Captain said i should ask him could I stay
