

**Something Inside Me Died**  
**Progress in Color**

Capo 4th fret, chords relative to capo.

The D chord uses a C chord shape moved up 2 frets with the G and e strings played open. x54030

**D Em G C x2**

**D** **Em** **C**  
day after day its all the same  
different faces for all your different names  
you say, why should i ever love again  
why should i get it started now

-Chorus-

**D** **C** **G**  
something inside me died and told me love  
**Em** **C**  
and second chances have all run out  
**D** **C** **G** **Em** **C**  
(its like) something inside me stopped loving tonight  
**D** **C** **G** **Em** **C**  
told me love and second chances have all run out  
**D** **C** **G** **Em** **C**  
(its like) something inside me stopped loving tonight

**D Em G C**

**D** **Em** **C**  
so why waste my time with your pointless games  
no matter the outcome your love it still stays the same  
you say, why should i give my heart away  
why should i love another day

-Chorus#2-

**C** **D**  
fall apart only once now  
**C** **D**  
just to lose your soul  
**C** **D**  
never found your own way around  
**C** **D**  
now you know where to go

-Chorus#3-

**D Em G C x2**
