

**Evil A Chorus Of Resistance**  
**Project 86**

So, here s another shot at acoustifying a P86 song. The chords are pretty accurate to the actual song, but this is a cover, so I ve changed a little bit. The mp3 of how I play it will be up on my page eventually. The song s in D Standard Tuning.

Intro: **Em Am Em Am A2** (2x)

Verse 1:

**Em** **Am C** **Em**  
Everyone down on the floor; no sudden moves, and lock the door

**Em** **D2** **Am** **Em**  
And I ve been plotting away in my heart every day to put this plan into  
action

**Em**  
Until I get it there s no satisfaction

And though I try to resist, I find the thing is this:  
**Em**  
Until I get it there s no satisfaction

Chorus 1:

**Em** **Am** **Em** **Am A2**  
I want something you have; I want it, oh, so bad
