

Live In Love Promise of Redemption

This the second tab I ve ever done.
I am a huge Promise of Redemption fan,
but no one has tabbed this song yet, so I thought I d give it a shot.

Hope you enjoy,
Aaron

Most is fairly accurate with some discrepancies on whether
the it is a G6 or simply a G major. Similarly, with the E7 and E13,
if you decide to add the A string it gives it a more vibrant sound
but differs a bit from the actual song both live and recorded.

Intro is similar to the chords used throughout the song,
but for all intensive purposes I am just tabbing the lyrics.

Standard turning or Half step down.
He uses both, so which ever you prefer.

 when i close my eyes

E7 **D6/9** **E13**
 this whole situation just seems so bad

G6 **E13**
 but still got a memory

E7 **D6/9** **E13**
 and these pictures of you will never leave my side

G6 **E13**
 and lord knows i m hurting

E7 **D6/9** **E13**
 but every one knows it hurts to say goodbye

Chorus

It s just the one thing i ve been having the most trouble with
 is when i try my best you know i do to just describe
 the way that when you looked at me it s like it s heaven sent
 and those most beautiful eyes...

and i ve been waking at night beside this nervous tick
 cause i just don t know if it s possible to get through this
 and it s just me and all of your best friends they re by my side
 they re trying oh so hard to wipe these tears of off my eyes

G6 **E13** **E7** **D6/9** **E13**
 Just try to rememberâ€¦|
